

Little Stone Church
Military Discount
Policy dated – May 2015

As our way of thanking Americans who are actively serving in our military and armed forces, whether in the Army, Marine Corps, Navy, Air Force or Coast Guard, as well as in the Reserves Little Stone Church is offering a 20% discount on wedding and vow renewal services. With so many men and women defending and aiding our country under difficult conditions, as our way of thanking those who serve.

To receive this discount what does a person need to do?

They can verbally convey that they are on active duty with the military or a Reservist that would like this discount to the Director of Weddings. However this will be confirmed at the rehearsal/ceremony by providing proof (no copies of documents will be made by our staff) to our Pastor that they are an active member or a Reservist of the Armed Services.

The discount is not intended for persons other than the individual(s) actually getting married or having a vow renewal. It does not apply to children, grandchildren or other relatives related to the person(s) getting married or having a vow renewal.
